## Property Description

GM Properties, Inc. proudly presents three (3) ground lease or built to suit opportunities on a major thoroughfare in Lancaster, CA. Located near the intersection of Columbia Way (Avenue M) and Sierra Highway (40k CPD), the subject property is perfect for fast casual, drive through concepts. The surrounding area is ripe with new development, with nearly 10M square feet of Industrial proposed at/near the intersection. The project is also within 1 mile from the Palmdale Regional Airport (PRA), currently housing major defense projects including Northrup's \$100M B-21 Raider. PRA is also under consideration for commercial air travel returning.
